

We support companies and individuals in achieving their goals by communication, management and social skills development.

We offer:

- **Efficient communication** ...You only get what you clearly communicate
- **Self-management** ...Identify and follow your own vision
- **Managing activities in time and space** ...How to identify and manage important tasks
- **Change management** ...Start from within yourself
- **Leadership and motivation** ...If one wants, no need to push him
- **Satisfied customer** ...Your customer knows best what is needed: just ask and listen
- **How to present yourself, your idea, your product** ... Try something the other one is interested in
- **Positive communication** ... Where you see a conflict, you can also see an interesting difference in opinions

Every activity is designed **according to the needs** and wishes of a specific client and adjusted during the process. We believe that the successful performance of a company requires positive **communication within**.

Therefore, all our educational and development activities support:

- a corporate culture based on mutual respect among colleagues, including managers and employees,
- a management style focused on people and relationships,
- understanding one's own needs and the ability to listen to the needs of others,
- building up trust and cooperation.

We work in:

- seminars, trainings, workshops, coaching, counselling,
- groups or individually,
- Slovak, English, German and Russian.

Our team has been active since 2001 and our clients come from various areas of business:

ZUNO (SK, CZ), Goodyear (SK, CZ, CSEE), Siet' Premio (SK, CZ), Allianz, ABS, Generali, TNT Express Worldwide, Fridrich Ebert Stiftung, OEGB, Novartis, Eli Lilly Slovakia, Panta Rhei, Holcim, MCSyncro, Partners Group, Lucra, Cafepoint...
